# Terry Fox Run 2019

Again this year, we are proudly supporting **The Terry Fox Foundation** in its ongoing work to fund innovative and progressive Cancer research programs. Please support our school by joining us on the day of our run, by wearing red and white clothing as a symbol of Terry's patriotism, and/or by making a donation to sponsor South March Public School in our school run at:

Your kindness will impact the lives of so many people living with Cancer.
